

Waffle Biscuit

Craveable taste in a portable format

Two breakfast classics merge to create a mashup that will excite and satisfy. This pre-baked biscuit features the subtly sweet flavor and look of waffles with the convenience and application of a biscuit. Capture the attention of all-day breakfast seekers with this unique take on a traditional carrier.

Satisfying flavor. Reliable consistency.

- Freshly-baked taste.
- Labor-saving format - simply thaw and bake.
- Consistent size and flavor every time.
- Versatility across menu – Side item, carrier for sweet or savory sandwiches or a dessert option.
- Increased visual appeal - features waffle iron appearance.
- Simple-split for easy separation.
