THE FUTURE OF FOOD

TRIBECA OVEN.

Flexible Solutions for Modern Senior Living

With over 11,000 Americans turning 65 each day, accelerated growth is reshaping every aspect of senior living. Luxury features of the past are now standard amenities, and hospitality-forward dining has emerged as a central priority.

In an era of broader diversity and improved lifespans, modern seniors are redefining residential foodservice with elevated expectations and an evolving interest in global cuisine.

C.H. Guenther is prepared and committed to your success. Our rich portfolio is built for convenience and designed for versatility across every meal occasion. Connect today and deliver quality, variety, and genuine delight to every dining experience.

Senior Living Foodservice Insights

Theme	Takeaway
More Than a Meal Routine mealtimes can provide comforting stability that supports cognitive health. Communal dining promotes improved food intake through valuable social interaction and a shared sense of belonging. ¹	Cultivate meaningful moments through themed meals, shared plates and experiential dining. C.H. Guenther is your partner for turnkey concepts that will inspire and delight your residents and visiting family members.
Top Business Challenges Employee training, labor and waste management are the leading opportunities, with 80% of operators reporting these as critical challenges. ²	Speed-scratch formats and flexible product applications are powerful tools for positive gains across all three metrics. Product versatility and simple prep are key features across our portfolio.
Flavorful Exploration Today's mature population features greater diversity than previous generations, with continued growth ahead. The US Census Bureau projects the share of non-Hispanic Americans aged 65 or older to drop as low as 60% by 2050. ³	C.H. Guenther offers access to diverse dining without added inventory. Learn how a single gravy mix can deliver classic comfort or a surprising shortcut to global flavor offerings.
